

Super Planes Pty Ltd

Terms and Conditions for Aerial Application

1. Super Planes Pty Ltd warrants to use its best endeavours to undertake the application based upon the instructions contained in the spray/work order form. Unless the spray/work order form is fully completed and submitted as indicated, the grower/farmer is agreeing to all terms and conditions contained in these Aerial Application Terms and Conditions. Specifically, Super Planes Pty Ltd is released and indemnified by the contracting grower/farmer from all actions, suits, claims, demands, costs, damages and expenses due to the application or any pre-application tasks how so ever arising. This clause is a fundamental term of this agreement.

2. If adverse environmental conditions, including adverse weather conditions, cause any delay in the application from that represented in the spray/work order form (environmental conditions shall be within the sole discretion of the Super Planes Pty Ltd), Super Planes will not be liable for any costs, claims, suits, demands or any consequential damages or losses of the contracting grower/farmer due to the delayed application.

3. Any liability of Super Planes for breach of any provision of or term implied by Chapter 3, Part 3.2, Division 1 of the Australian Consumer Law set out in Schedule 2 of the Competition and Consumer Act 2010 or equivalent state legislation shall not exceed the resupply of the application in question or payment of the cost of resupply.

4. In no event whether as a result of breach of contract, warranty, tort (including negligence) or otherwise shall Super Planes be liable for any special, consequential, incidental, exemplary, aggravated or penal damages or expenses including but not limited to loss of profit, goodwill, reliance loss, costs or claims by third parties. This warranty is exclusive of all other warranties or remedies whether written, oral, implied or statutory. Any and all implied warranties of merchantability, fitness for a particular purpose, course of dealing or usage of trade are hereby expressly disclaimed and excluded as allowable under the law.

5. Payment to Super Planes shall be made within 30 days of receipt of invoice and must be received by the Super Planes before any dispute or claim can be made in relation to the application.

An administration fee of \$20 will apply for any overdue invoices, every month after the due date when monies has not been paid.

6. In consideration of Super Planes undertaking the application, the contracting grower/farmer agrees to release and indemnify the Super Planes, its officers, directors, agents, servants, employees and shareholders and suppliers of any aircraft from any and all liabilities, claims, demands or actions or causes of action whatsoever including any liability imposed by statute, arising out of any damage, loss or injury to the contracting grower/farmer or third parties due to the aerial application or pre-application

tasks whether such loss, damage or injury results from negligence of Super Planes, its officers, directors, agents, servants, employees or shareholders or from some other cause.

7. The contracting grower/farmer or their agronomist or agent warrants that it will notify Super Planes of all relevant and accurate information necessary for the applicator to carry out all appropriate planning and hazard and risk assessment and management. Such information shall include but not be limited to hazards (including power lines and SWER lines in or near the application area) and obstructions; susceptible crops (including neighbours within a 5km radius) grazing livestock; environmentally susceptible areas; school bus runs and times; staff or contractors working in or near the application area and times of their entry/exit.

8. Any requirement for neighbour notification either specified on label or through State legislation, industry code of practice or other means shall be the responsibility of the grower/farmer.

9. The contracting grower/farmer acknowledges that if during the course of the application it is necessary to dump a load of chemical due to requirements of safety there will be no right of action on behalf of the contracting grower/farmer against Super Planes.

10. By entering the agreement the contracting grower/farmer warrants and acknowledges that any chemical required by them to be applied by Super Planes is a registered chemical for the application required and that the application conforms to the label of the pesticide and to any relevant State legislation.

11. The contracting grower/farmer warrants that the product rate and application is in accordance with the relevant registered label and that the product is registered. If that is not the case the contracting grower/farmer agrees to indemnify Super Planes for any loss or damage including any loss of business caused by invalid use.

12. Any use of odorous chemicals shall be at the sole risk of the grower/farmer and the grower/farmer indemnifies Super Planes from any actions arising out of the use of such chemicals.

13. The grower/farmer or their agent accepts that it is at the sole discretion of Super Planes as to what means are taken to ensure the management of chemical drift. Such means could include but not be limited to aircraft set-up, application technique, water rates use of buffer zones or suspending application unit better weather.

14. The grower/farmer accepts that there may be some areas of the application site that may not be able to be treated optimally due to the presence of hazards to safe flying including but not limited to trees, power lines and associated infrastructure, paddock shape, environmentally sensitive areas and waterways. The grower/farmer indemnifies Super Planes against any loss of yield or other issues arising from such.

15. The grower/farmer agrees to ensure that all staff, contractors, visitors or others are not permitted to enter or be within the application site or immediate surrounds for the time commencing from 30 minutes before the commencement of application until 30 minutes after the completion of the application or for the period prescribed for re-entry into the application site on the chemical label, whichever is the longer.

16. The contracting grower/farmer specifically acknowledges that damage may be caused to trees and other vegetation on her/his property during the application. The grower/farmer hereby acknowledges that should any such damage occur then clause 6 of these terms and conditions applies.

17. If the contracting grower/farmer has payments outstanding to Super Planes according to these terms and conditions Super Planes is entitled at its option not to undertake any further applications.

18. The contracting grower/farmer represents and warrants that he was not induced to enter into this agreement by Super Planes and did not rely on any representations or warranties made by Super Planes or Super Planes servants or agents about the subject matter of any agreement. The contracting grower/farmer further acknowledges and warrants that these conditions of aerial application are the whole agreement between the parties and may not be varied except in writing.

19. The term "Super Planes" in these conditions of spraying contract means the owner or the operator of any aircraft used in the application, the pilot of any aircraft used in the application, servants or agents of either the owner, operator or pilot, contractors or subcontractors of the owner, operator or pilot or any associated or subsidiary companies of the owner, operator or pilot.

20. The contracting grower/farmer hereby agrees and warrants that if he is approached by any government instrumentality including but not limited to the EPA, Work Cover or CASA or equivalent, the contracting grower/farmer will immediately notify the Super Planes and provide whatever assistance Super Planes may require concerning the government instrumentality's enquiry including but not limited to all documents relating to the application.

21. Upon Submitting an Aerial Job Request or signing and agreeing to these terms and conditions the person warrants that they have authority to bind the contracting grower/farmers corporate entity (if applicable) and also acknowledges that if the corporate entity cannot pay the application costs they are acting as guarantor and they will be personally liable for all application costs.

22. The person submitting the Aerial Job Request Form acknowledges that they have read and understood the same.
